The grant of a Rakhadai

 enjoyed that distinction
 in the past.

With regard to the matter
 just mentioned, there is no information
 about its status or endowments,
 whether the claim is mainly
 based on the record so old
 as 1821, or any subsequent
 Rakhadai from Govt., if any
 Rakhadai has ^{been} granted,
 wherein comes the necessity
 for a fresh Rakhadai, and
 whether the petn contemplates
 any part in the State, and
 if so, through what District.

The matter is a minor one and does not seem to require any cash award in any form. There is no information that at any previous time this matter was granted a rabadan from the Govt. The Dy Commr has issued the necessary permit to travel in his District, and if he applies in a similar manner to the other Dy Commr enclosing a copy of the license issued by the Dy Commr, a similar permit will be issued by them. A grant rabadan from Govt does not seem to be necessary for orders.
